Subject: Offer of Internship cum Job Description — AI Implementation/Development Internship

Dear Piyush,

We are pleased to offer you an internship with Abrobot Technologies Private Limited, operating under its brand MNB Research, for the position of AI Implementation/Development Internship. This letter sets out the role, responsibilities, and the complete terms and conditions governing your internship. Please read it carefully and confirm your acceptance as instructed at the end of this letter.

About MNB Research

MNB Research is an AI-first company building a portfolio of AI products and service practices for businesses and individuals across India and internationally. Our verified traction includes 2,000+ businesses served, 37 enterprise clients across 8 sectors, a feature on Shark Tank India, DPIIT-recognised startup status, and a 5.0 Google rating. Our product portfolio spans AI automation, legal-tech, tax-tech, voice AI, compliance, SME operations tooling, personal safety, and study-abroad guidance, alongside service practices in AI Automation, Market Research, Business Strategy, Digital Marketing, Financial Modelling, and Operations Management.

About AbroBot

AbroBot (abrobot.ai / app.abrobot.ai) is MNB Research's AI study-abroad mentor product for Indian students, built to be the AI operating layer for the whole study-abroad journey. AbroBot runs on a real, built-in dataset of 24,080+ ROR-verified institutions and has onboarded 350,269+ students to date, guiding them through university selection, SOPs, visa guidance, and more.

Role & Responsibilities

As a AI Implementation/Development Internship, your key responsibilities will include:

- Support the implementation, testing, and refinement of AI workflows and automations built for MNB Research's product suite (including AbroBot) and client engagements.
- Assist in configuring and testing AI agents, LLM-based tools, and automation pipelines (e.g. n8n, RAG pipelines, chatbots).
- Help document processes, workflows, and technical specifications for internal and client-facing use.
- Coordinate between the technical and business teams to ensure smooth onboarding of new AI tools and clients.
- Assist with quality checks, issue triage, and reporting of bugs or inconsistencies observed during implementation.

You may also be assigned other reasonable tasks by your Reporting Manager, consistent with the nature of this internship.

Key Terms

- 1. Position:** AI Implementation/Development Internship, reporting to Mr. Mridul Nanda, Director (the "Reporting Manager").
- 2. Duration:** This internship shall commence on Monday, 21 September 2026 and continue for a period of two (2) months. The internship may be extended for a further period of up to one (1) additional month (i.e. up to a maximum of three (3) months in total), solely at the mutual discretion of the Reporting Manager and the Intern.
- 3. Nature of engagement:** This is an unpaid internship. It does not constitute an employment relationship, and you shall not be entitled to any salary, wages, provident fund, ESI, gratuity, leave encashment, or any other statutory employee benefit under applicable law.
- 4. Incentive payout:** As the sole form of compensation, you shall be eligible for an incentive equal to ten percent (10%) of the total payout/revenue actually realised by the Company that is directly attributable to your work during the internship, as determined by the Company in its sole discretion. Where payable, this incentive shall be credited to your registered bank account on or before the 5th day of the month following the month in which the underlying payout was realised, subject to applicable statutory deductions (including TDS, if any). No incentive is guaranteed, and the Company's determination of the amount attributable to your work shall be final.
- 5. Work mode & hours:** This internship will be carried out remotely, with working days/hours as mutually agreed with your Reporting Manager from time to time.

Terms & Conditions

6. Confidentiality: You shall keep strictly confidential all business, financial, technical, product, client, candidate, and strategic information of the Company and its brands (including MNB Research and AbroBot) that you access or become aware of during your internship. This obligation of confidentiality shall survive the termination or completion of your internship indefinitely, and shall continue to bind you even after you cease to be associated with the Company.

7. Discretion: Any extension of this internship, and the quantum and payment of any incentive under Clause 4, shall be entirely at the discretion of the Reporting Manager and/or the Company, based on your performance, conduct, and the Company's business requirements. Nothing in this letter shall be construed as a promise or guarantee of continued engagement, extension, incentive payment, or future employment of any kind.

8. No employment / no absorption: This internship confers no right, expectation, or entitlement to permanent employment, conversion to employee status, or any other engagement with the Company upon its completion or extension.

9. Intellectual property: All work product, code, content, designs, ideas, leads, documentation, and other deliverables created, developed, or contributed by you in the course of this internship shall be the sole and exclusive property of Abrobot Technologies Private Limited. You hereby assign, and agree to execute any documents necessary to assign, all right, title, and interest in such work product to the Company.

10. Non-disclosure to third parties: You shall not, during or after this internship, disclose, share, or use for your own benefit or that of any third party (including any competing business), any proprietary information, leads, client details, or business strategies of the Company that you access during this internship.

11. Code of conduct: You shall act professionally and with integrity at all times, maintain punctuality and reasonable availability as agreed with your Reporting Manager, report work honestly and accurately, and shall not misrepresent the Company, its products, or its data to any client, candidate, investor, or third party.

12. Data protection: You shall comply with applicable data protection and privacy laws while handling any personal data belonging to the Company's clients, candidates, students, or users, and shall not retain or share any such data beyond what is necessary for your assigned work.

13. Termination: Either party may terminate this internship at any time by providing seven (7) days' written notice (including by email) to the other. Notwithstanding the foregoing, the Company may terminate this internship immediately and without notice in case of any breach of confidentiality, misconduct, unsatisfactory performance, or violation of the terms of this letter, as determined by the Company in its sole discretion.

14. Certificate: On successful completion of the internship (including any extension), the Company shall issue you a Certificate of Internship / Experience Letter reflecting the actual role and duration served.

15. Governing law & jurisdiction: This letter and the internship governed by it shall be construed in accordance with the laws of India, and the courts at Faridabad, Haryana shall have exclusive jurisdiction over any disputes arising herefrom.

16. Entire understanding: This letter constitutes the entire understanding between you and the Company regarding this internship, superseding any prior oral or written discussions. No variation of these terms shall be valid unless made in writing and signed/confirmed by the Reporting Manager.

17. Acceptance: Please confirm your acceptance of this offer and the terms herein by signing, naming, and dating this letter in the space provided at the end, and returning a copy to us on or before your intended start date. Your continuation in the internship beyond the first week shall itself be deemed as acceptance of these terms.

We look forward to having you on the team.

For Abrobot Technologies Private Limited (MNB Research),

Digitally Signed

Mridul Nanda

Director

Abrobot Technologies Private Limited

Acceptance by Intern

I, Piyush Garg, confirm that I have read and understood the terms and conditions of this internship offer as set out above, and I accept the same in full.
